

## Sabbath School Reminiscing

Back in the 50's (1850) the Sabbath School was founded (Wesleyan Methodist, Williamstown).

Mr John Courtis was its first Super-Intendant, and when in 1854 he went to the gold fields, the late Mr. White informed me that he took charge of the school until the former returned, and in the winter time he was severely taken to task for sailing down from North Williamstown to Anne St (church) in his own boat (to officiate at Sunday School). There were no made roads in those days.
