

## About Us continued.....

Whether together in worship or engaging in other events in the church, together we constantly pursue opportunities to grow in our faith, spirituality and our theological knowledge.

Social justice and community outreach are also priorities of our church community. We hope to resume our Op Shop (formally located at 75 Stevedore St Williamstown) on our church property and operate on the same days as the Williamstown Emergency Relief program (also operating from the church) to act as a hub for those in need in our local community - a place of peace, acceptance and assistance.

We are blessed with a rich history and legacy in this church of a community of faith, supporting and caring for each other in our life's journey.

We hope that you will learn more about our church, its people and the Uniting Church in Australia in reading more from the following pages. If you have any questions, looking for a deeper connection, have questions of faith, you can contact us by phone or email [here](#).
